FOCUSX

Is your website working for your business?

Twelve yes or no questions. Every no is something worth fixing.

		YES	NO
1	Can a new visitor tell what you do within a few seconds?	☐	☐
2	Is it clear who you serve and where?	☐	☐
3	Does the site work well on a phone?	☐	☐
4	Can someone buy, book or request a quote without hunting for it?	☐	☐
5	Does each main service have its own page?	☐	☐
6	Does each page ask for one clear next step?	☐	☐
7	Is there something free for visitors who are not ready yet?	☐	☐
8	Do you follow up with people who enquire?	☐	☐
9	Does your site answer the questions customers ask most?	☐	☐
10	Are there real reviews or examples of your work?	☐	☐
11	Are your details, dates and links all current?	☐	☐
12	Do you know who controls your domain, hosting and backups?	☐	☐

Mostly yes? Your site is in good shape, so keep it up to date.

Several no answers? Start with those closest to the top. They affect every visitor.

Let us fix it for you, with a free website.

We build a new website or refresh yours, then run it for you.

The free website comes with a monthly care plan and a minimum term.
We go through everything before you sign.
